Join us for one of the most comprehensive and complete seminars about starting your business careers in dental field.

If you intend to do a startup, buy an existing practice or expand your operations, this is the perfect day with lots of resources and information and network for you.

We assembled some of the most experienced and resourceful professionals in the industry to assist you in this seminar.

AGENDA

JASON SCHNELLER

- Qualifying for financing & understanding available lending options
- Determining financial readiness for a startup, acquisition or expansion

MATT STEVENS, ESQ

- Dental Practice Transition process overview,
- Dental office leases and purchase agreements,
 - Selling or partnering to DSO

FAZEL MOSTASHARI, CPA

- Key principles of dental practice acquisitions, expansions, and startups
- Foundations of a successful startup or expansion including financial, operational, and strategic planning
- Due diligence essentials and what to review before committing
 - Business systems that support growth including marketing, operations, accountability, and KPIs
 - Ten major pitfalls to avoid before buying a dental practice
 - How to identify and source high-quality practices for purchase
- Case studies on practices you should not buy and the reasons why

The only educational event you need to get all your resources to own your business! And do very, very well!
